
What will your legacy be?

Are you considering helping the community through a gift or in your will? A gift to the community can easily be set-up by specifying this to your advisor or lawyer and contacting the Sussex Area Community Foundation.

The Sussex Area Community Foundation invests community donations from donors like you. A percentage of the assets are returned to the community each year in the form of grants and scholarships.

This leaves the investment to earn income in perpetuity to help the community when and where it is needed.

Your local community foundation is a charitable non-profit organization that contributes time, leadership and financial support to initiatives that benefit your community most.

Make a Difference

Donate to the Community

It is where you live and care about. Why not consider leaving a gift to the Sussex Area Community Foundation. Gifts can be large or small, but all help the community. Donations can help with community grants or scholarships. These options are established and your help will increase the giving in the Sussex area. All grants and scholarships are awarded based on an application process to determine the need.

Unique Value of a Community Foundation:

1. Helps people and organizations with a personalized, lasting legacy;
2. Are the only Community Foundation serving the Sussex area;
3. Make charitable giving easy, letting donors target their area of interest;
4. It is local with directors from and grants to the Sussex area; and
5. Funds are invested and granted wisely for maximum impact.

Donations can be in the form of cash, securities, life insurance policies, RRIF/RRSP proceeds or real estate. These donations can provide significant tax advantages. You are encouraged to seek advice from your wealth management, financial or legal advisor to ensure your giving goals also maximize your tax savings and that the terms of the gift are clear.

A donation can be used to add to a fund or establish a new fund based on the amount and request of the donor. You can focus on making a difference and the Sussex Area Community Foundation will help with investment oversight, donation receipting and philanthropic advice.
